INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents:

This information disclosure statement is being presented as a means of complying with the requirements of 37 CFR 1.56. It includes what the undersigned believes to be the closest prior art. However, no representation is made that better art does not exist nor that a search has been made.

The Applicants respectfully submit that the foregoing references, alone or in combination, do not disclose or suggest the present invention.

Respectfully submitted,

Burton Rodney
Attorney
